

Before the New Year

I think we are not mistaken to say that everyone is getting ready for the New Year these days. In order to create food stocks for the winter season, our institute has organized "Agricultural products fair" at the reduced prices based on agreements with farms and other agricultural producers! Today was the 1st day of our fair. Along with cheap agricultural products, free rice distributed on coupons to our institute staff.

Head of the Press Service of the Institute Rakhimboy Djumaniyazov
