

The Ambassador of the State of Israel visited TIIAME

Inter-state cooperation is oriented towards the development of mutually beneficial cooperation. Innovation and investment activities are also based on this goal. In this sense, the visit of Ambassador Extraordinary and Plenipotentiary of the State of Israel to Uzbekistan Zehavit Ben-Hillel to the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers was of great significance. The Ambassador's conversation with the Rector of TIIAME, Doctor of Economic Sciences, Professor Umurzakov Uktam Pardaevich was held in a warm, mutually beneficial and friendly atmosphere.
