

Language is a factor of harmony, spirituality and development

On April 23, 2021 Vladislav Dmitrievich Yanchenko, Doctor of Pedagogical Sciences, Professor, Head of the Department of "Methods of Teaching Russian", Institute of Philology, Moscow State Pedagogical University, visited our institute. Yanchenko V.D. gave a master class for teachers and students of the department "Uzbek language and literature" of the faculty "Organization and management of water resources". The lesson was based on riddles and puzzles, games. It was useful and fun for students and teachers. Yanchenko V.D. continued as an oral conversation on cooperation with professors and teachers of the department "Uzbek language and literature". Important issues such as professional development of professors and teachers, the creation of joint textbooks and methodological developments, the preparation of PhDs were verbally agreed.
