

The youth of our institute became the winners

Tashkent hosted the youth festival "Tashkent Five Initiatives Movement", which covers all areas reflected in the five initiatives put forward by President of Uzbekistan Shavkat Mirziyoyev - culture, art, sports, information technology, reading and entrepreneurship.

The event lasted until May 20-25, 2021. The event included an intellectual game "Zakovat". Young IT-specialists demonstrated their knowledge and skills in the ideaton "Project X" and Tashkent Cyber Cup-2021. Only 4 projects out of 64 nominees took part in the final stage. In this competition young people presented their innovative projects in the field of ecology, taxation, youth employment and education. Graduates of our institute Yusupov Mukhammadmaddikjon, Mutalov Alisher, Gulamova Adolat, assistant of the department of automation and management of technological process and production Ismoilov Sarvar and doctoral student Ozodov Ezoz took part in the festival, taking 1st place and winning a cash prize of 20 million soums.
