

The most commendable room.

On 24 January this year in the student's hostel 1, where the students of the Faculty of Land Resources Management held a competition for the best room. It attended by Vice-Rector for Youth Affairs R.Choriev, deans of faculties, deputy deans and activists of the Youth Affairs. They were acquainted with the conditions created for the students and met with students living in the 8 rooms selected as the "Best Room." They gave a thank-you notebook and a book. Vice-Rector for Youth Affairs R.Choriev also met with the student council activists at the dormitory and made recommendations for them to maintain discipline and sanitation in the dormitory and to organise self-management.

Information by the Deputy Dean for Youth Affairs of the Faculty of Land Management Kh.Eshova
