

Observance of the inner rules

The Director of Students' Dormitories I.Bukhorov in cooperation with the Chairman of the Student Council of the dormitory Saidakhmedov Jahongir, as well as the Deputy Deans organized a meeting with students of the dormitory. During the meeting it was noted that it is necessary to strictly follow the internal regulations of the dormitory and block the entrance and exit from the dormitory from 22:00 pm. It was also pointed out that students must always carry their passes to and from the hostel with them. It was pointed out that quarantine rules should be observed, that the pandemic had not subsided and that it was up to everyone to take care of their health. It was stressed that all students living in the hostel should strictly follow the quarantine rules and wear masks. Students' suggestions were also listened to.
