

## There is no better friend in the world than a book

This is the truth of the great thinker of the East, the poet Abdurahman Jami. On February 26, 2021, a "Book for another book" event was held in the student dormitory No. 4.

The aim of the event was to increase the readership of students. Dean of the Faculty of Hydromelioration A.Fathullaeva, Deputy Deans, Chairperson of the Faculty Women's Council Z.Beknazarova and faculty members took part in the event. Students living in the dormitory also participated in the event. The campaign will last one month. Educator N. Isokulova played an important role in organising the event.
