

Spiritual outreach event

On 26 February 2021, R.T. Kodirova, Chairperson of the Women's Council of the Faculty of Water Management Organization and Management, organized a spiritual and educational event on the theme "Save Youth from Drugs". The event was attended by Major Golibkulov Obidjon Orolovich, Investigator for Combating Drugs and Organised Crime of the Investigation Department of the Ministry of Internal Affairs of the Republic of Uzbekistan.

Major Golibkulov showed the documentaries he had brought with him. He told the audience about the work carried out by the Investigation Department. The round table took place in a spirit of open dialogue.
