

Integration of TIAME and JSCB Turonbank in education, science and production

On March 27, 2021, at the Faculty of Organization and Management of Water Resources, was held a regular seminar of the JSC "Turonbank". Director of the Department of Foreign Economic Activity of JSCB Turonbank Kutbidinov Isomiddin Zokhriddin Ugly spoke on the topic "The Role and Significance of the Banking Sector in Foreign Economic Activity."

The seminar participants had many questions for the speaker. In particular, there were questions about the benefits provided to young people in export operations, the role of currencies other than the US dollar in export-import operations, demand for them, Turonbank's relations with foreign banks, and the effectiveness of work with Russian rubles.
