

Princess of Spring

The Spring Princess Contest, organized on the initiative of the Youth Union of the Faculty of Organization and Management of Water Resources, was held at the faculty hall .

The jury evaluated our talented, good cook girls, who are active in all spheres.

Today's contest has been contested by five girls.

- acquaintance;
- Quiz;
- Uzbekistan in my eyes;
- imagination;
- Competing for free conditions demonstrated their talent and skills.

Sultonova Charos (307 group) got the first place, Ismoilova Kamila (103 group) the second place, Alimardonova Nozigul (307 group) was in the third place.

Of course, in the course of our work, we carry out a lot of events and discussions that aim to increase the activity of our girls.
