

The leaders of the primary organization of the Youth union of Uzbekistan are in our Institute

Today, Tashkent Institute of Irrigation and Agricultural Mechanization Engineers visited the leaders of the primary organization of the Youth union of Uzbekistan at all universities of the Republic of Uzbekistan. At the opening ceremony of the StudFest project, organized by the Tashkent City council on 22 November, Murod Nazarov, founder of "Murad Buildings", chairperson of the Tashkent city council Durdona Rakhimova, First Deputy Chairman of the Central Council Akmal Jumaboev and leader of the youth of our institute Akmal Berdimuradov also attended that even.

This indicates the prominent role of our prestigious institute among higher education institutions. Today's meeting was also organized as part of the leadership forum. During the visit to the Youth's leader's room they were acquainted with the documents of the primary organization, the achievements and the gifts of the active students and were really impressed by the conditions created for the youth.

Vice-Rector for Youth Affairs R.Choriev gave his advice and recommendations to the leaders and wished success in their further job. Visiting the Youth's council's room of the faculty of Organization and Management of Water Resources they talked about the activities carried out by the activists. Akmal Berdimuradov and faculty youth's leader Haytboy Iskandarov briefed on the activities and projects that are expected to take place soon. Experienced leader Alimov Uchkun shared his thoughts and impressions with youth leaders. At the end of the day, leaders from all universities who visited the meeting left with a great impression on the current state of our institute.

Head of the Press Service of the Institute Rakhimboy Djumaniyazov
