

Meeting with trainees of the Academy of Armed Forces of Uzbekistan

Current, it reflects the open and active foreign policy of Uzbekistan is in cooperate with the leading countries of the world in all spheres, in education. In addition, the Academy of Armed Forces of Uzbekistan is cooperating with the world's leading higher education centres and military academies. In addition, on January 27 of this year, the students of our institute met with cadets and leaders of the Academy of Armed Forces of the Republic of Uzbekistan.

The meeting attended by the psychologist of the institute M. Muhamedova, the deputy dean of the LM faculty Kh. Eshova. At the end of the meeting, M. Mukhamedova conducted a psychological survey with cadets and girls. There were interesting questions and answers between the cadets and the students. The meeting left a great impression on the cadets and the students.
