

## Mother-in-law and daughter-in-law relationship

Today in "Asaka" makhalla of Mirzo Ulugbek district was held a round table on the topic "Relations between mother-in-law and daughter-in-law". Deputy Dean for Youth Affairs of the Faculty of Land Management Kh. Eshova and senior lecturer of the Department of Land Management Z. Khafizova attended at the event. The strength of the family is important for society, because the child is brought up in this family as a member of society.
