

Spiritual and educational event in student dormitory 3

Today is Friday. It is 2 weeks since our 1-4 course student girls have started studying in traditional form of education. Since November 16, female students from distant areas who applied with application have been placed in the 3rd dormitory. There are enough conditions for our students to study and live.

Z.Hafizova, Assistant of the Women's Council of the Institute acquainted with the activities of the "Qizlarjon" club. They were informed about the importance of the club in the education and upbringing of female students of the institute, as well as their spiritual and enlightenment development in the community, and the benefits of professional training. Associate professor O.Ruzikulova, member of the club shared her life experiences that motivate first-year students to continue working in the teacher-student system, to participate in conferences with scientific articles and ideas.

Psychological game on the topic "Interesting acquaintance" has been held with the participation of Associate professor O.Ruzikulova, member of the club of "Land Management" faculty and assistant Z. Khafizova, Muhamedova Muhayyo, psychologist of the institute, Khayitova Aziza, educator of SD 3. Our female students shared with their points of view on how they imagine their friends after 15-20 years in relation, in this regard it was pleasant that they imagine them as happy mothers who mastered one profession, as well as respected women with private firms.
