

Honorable place

Victory is the dream of everyone. It has one luckily, and it does not have one, unfortunately. The defeat is a guarantee of successes achieved. The winner requires a sincere talent, a hard workout, a hard process. On December 24-26, Tashkent hosted the International K-1 Individual Volleyball Tournament in Tashkent, dedicated to the 26th anniversary of the Constitution of the Republic of Uzbekistan. In this sport competition, the student of group 2 - faculty of "Mechanization of agriculture" 204 - Zokirov Farruh actively took the 1st place in the weight class up to 80 kg. We wish great success to F.Zokirov in his future work and life.
