

With creative great people

In the framework of "Model creative people", a press-secretary of PARKENTSUVKURILISH LLC Malika Salimova made a presentation on "Dialogue to poetry" and "Third world". The moderator of the event was the press secretary of the Institute, teacher Rakhimboy Jumaniyazov.

At the event, which is closely connected with the first and fourth sections of five major initiatives raised by the President of Uzbekistan, the head of the central office of PARKENTSUVKURILISH LLC Olomurod Isakulov, Republican Spirituality and Enlightenment The chairman of Sergeli district department of the Council, the talented artist Bobomurod Nur and the dean of the faculty GM GM Alisher Fathulayev. The poetry, mother, love poems, read by the poet during the event, were warmly welcomed by the students of the institute.

The well-known writer Bobomurod Nur, who also participated in the event, also presented his creative works to the students. His poem, "Armon Muhabbat," especially related to student life, was welcomed by students with applause. At the end of the event there was an interesting question-and-answer session among the students and the students. In this process, students of "GM" faculty were very active. The talented students were awarded with the books by the artists. This creative night has been stamped in the hearts of the participants.
