

"Economics" department branch, TIIAME will be established in Karshi branch of TIIAME

The Karshi branch of TIIAME was established in accordance with the Resolution of the Cabinet of Ministers of the Republic of Uzbekistan dated May 28, 2019 No 437 "On the establishment of Karshi branch of the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers." Currently, the branch has 1 faculty, 4 departments, 9 bachelor's programs, 4 part-time programs, 3 master's specialties. On June 29, Yunusov Iskandar Orifovich, Associate Professor of Economics, Tashkent Institute of Irrigation and Agricultural Mechanization Engineers, and Kucharov Jahongir Ovlayorovich, Assistant Professor, visited the branch and held a meeting on the establishment of the branch of "Economics" department at the Karshi branch of TIIAME.

I. Yunusov, associate professor of TIIAME, made relevant proposals in his speech to engage youth in pedagogical activities at the department, to arouse the interest of practitioners with knowledge and experience to work at the department and to identify talented, knowledgeable, aspiring and enterprising young employees and gradually appoint them to positions.

From 2021-2022 academic year, the branch of the Department of "Economics" TIIAME will begin its work in the branch.
