

## A visit of Delegation from Karabuk University to TIAME with the aim of strengthening the cooperation

In order to strengthen the cooperation, the delegation headed by the rector of Karabuk University, prof. Refik Polat, Turkey visited TIAME. The delegation began its visit to the Museum of Abdulla Aripov, located at our institute. In honor of guests there was organized the meeting in conference room, where participated the rector of Karabuk University prof. Refik Polat, vice-rector, prof. Mujahit Joshkun, the head of the international department Oya Onalan and the first vice-rector of our institute, prof. B. Mirzaev, vice-rector for international cooperation, prof. A. Salokhiddinov, Head of International Cooperation Department Dr. Sh. Rakhmonov, Head of the Department "Power Supply and Renewable Energy Sources", Dr. D. Kadyrov, Professor of the department O. Tursunov and A senior teacher of English language G. Eshchanova.

After the mutual presentation of the parties, an introductory video of both sides was shown. At the meeting, there were discussed such questions as cooperating in the sphere of academic exchange of professors and students and organizing joint work within different international projects due to the agreement. After the meeting the delegation continued its visit to different laboratories of our institute. At the end of the meeting both the parties exchanged souvenirs as presents for a memory.
