

Sacred memory of the mentor

A dedicated mentor is no longer with us. It is no secret that the educational institution headed by Uktam Parдавevich has achieved high levels in national and international ratings. Uktam Parдавevich was a prominent scientist, talented mentor and outstanding educator. Uktam Parдавevich was a sincere person, he showed paternal care for students.

Devotion to the ideas of the head of our state, enthusiasm in organizing events, knowledge and potential, high leadership qualities, management culture and, most importantly, humanity should be an example for all of us. It is important to note that Uktam Parдавevich has followers, and we sincerely believe that they will continue his work.
