

## Meeting with the Champion!

We were certainly pleased with the results of the "Tokyo 2020" Summer Olympics. The joy in the house of Ismatilla aka Rashidov, a resident of Lashkarbegi makhalla, where we work in cooperation with various events, has become the joy of our people. He was eternally glad to see his son won a gold medal at the Summer Olympics in Taekwondo.

There was organized a meeting with the champion, Ulugbek Rashidov, who has just turned 19 and became the winner of the Olympics in Japan. Ulugbek himself, his father and friends took part in the event, which was based on a conversation over a cup of tea. Zulfiya Rasulova, the chairwoman of the mahalla's citizens' assembly, expressed her pride and joy on behalf of the makhalla and expressed her gratitude to Ulugbek Rashidov and his parents for making the family and the makhalla proud. The event delighted all participants with songs.
