

A delegation from Afghanistan arrived at our institute

A delegation from Afghanistan paid an official visit to TIAME to get acquainted with the educational and research process of our institute. The delegation included representatives from the Ministry of Foreign Affairs of Afghanistan Mirvais Sohrabi, Bahloll Javed Karim, Ministry of Energy and Water resources Hidayatulla Muneb, Kudratullo Samadi, Hamid Saidi, Fayz Ahmad Manavi, Muhammad Shah Mubasher, Abulla Naimi, Ministry of Agriculture, irrigation and animal husbandry Hashimi, Mohammad Afzal Savari, specialist of the Regional Environmental Center for Central Asia in Afghanistan, Muhammad Azim Koshifiy.

The meeting was opened by the acting rector of the institute B.S. Mirzaev. After the information provided about the history, education and research processes in our institute, the Afghan delegation spoke. Muhammad Azim Kashifiy thanked for the warm welcome given to the delegation. He became interested in the extensive work carried out by the institute, as well as the international student learning system.

They shared their views on the opening of a branch of our institute in the Republic of Afghanistan and the possibility of obtaining distance learning. B.S. Mirzaev invited guests to get acquainted with the laboratories of our institute.

The delegation visited the educational and research laboratory of automation of technological processes, the pavilion of agricultural machinery, educational laboratories of the faculty of irrigation and drainage engineering and hydraulic engineering, a cluster of innovative scientific research and received answers to all their questions.

Press secretary of the institute Rakhimboy Djumaniyazov
