

Corruption is an obstacle to progress

One of the problems that negatively affect the development of all countries of the world is corruption and crime. An inevitable punishment is foreseen for this type of crime throughout the world. We must together build a future without corruption, this requires, first of all, self-education, to fight to eradicate any manifestations of corruption concurrently. "Corruption and crime" can be called "an obstacle to progress."

An event on the same topic was held today at the Faculty of Energy Supply for Agriculture and Water Management. The event was attended by the dean of the faculty A. Isakov, deputy dean for work with youth A. Mutalov, senior teacher of the cycle of special sciences at the Institute for Advanced Studies of the Ministry of Internal Affairs of the Republic of Uzbekistan, Lieutenant Colonel Ulugbek Tuimobaev, Lieutenant Colonel Utkir Gulmatov, and students.
