

Foundation of the future

November 29, 2019 at school, No.197 of the Uchtepa district, the faculty of the institute B.Sh. Matyakubov and B.M. Rakhmanov organized a round table for high school students. Students shown a video about the institute. They also provided information about the educational directions of the institute's faculties, about the conditions created for students, about the reforms be carried out in cooperation with foreign institutions, and about the rating of the institute. It noted that in order to become a student, high school graduates must have in-depth knowledge in all subjects taught at school. At the end of the round table, it turned out that most school graduates are interested in applying for admission to TIAME.

The head of the press service of the institute Rakhimboy Djumaniyazov.
