

## Exhibition of ceramics “Rishtan-colored polish”

On November 28-29, the Ministry of Culture of the Republic of Uzbekistan, Tashkent Culture and Arts Directorate, the Youth Creativity Palace and the Rishtan District Office of the Hunarmand (Handicraft) Association held a ceramic exhibition titled Rishtan-colored Ceramics.

The students of the Faculty of Land Management participated in the exhibition together with the curators of the group. 22 young ceramics from Rishtan were presented at the exhibition. The fact that Rishtanian ceramics created by his own hands is a pleasure to all.

In fact, effective work in all spheres is be carried out in our country today. We hope that this exhibition is the first step for our young potters and will showcase more ceramic works not only in our country but also throughout the world. The students of our faculty returned with great impressions.
