

## A heart that penetrates the universe

Founder of our independence First President of the Republic of Uzbekistan Islam Abduganievich Karimov was born on January 30, 1938 in Samarkand in a family of ministers. Nationality - Uzbek. He has higher education. He graduated from the Central Asian Polytechnic Institute and Tashkent Institute of National Economy. He has mechanical engineering and economics. Candidate of Economic Sciences. He began his career in 1960 at the Tashkent Agricultural Machine-Building Plant. From 1961 to 1966, he worked as an engineer, a leading engineer-constructor at the Tashkent Aircraft Production Association named after VP Chkalov. On March 24, 1990, at the session of the Supreme Soviet of the Uzbek SSR, Karimov elected as the President of the Uzbek SSR. August 31, 1991 Karimov proclaimed the historic event - the state independence of the Republic of Uzbekistan. Today, 1st course students of the faculty of Hydromelioration of the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers visited the "Islam Karimov Scientific and Educational Memorial Complex". Students also toured the art exhibition of the First President. Your memory will be in our hearts!

In any case, it seems obvious today that the foundation of history associated with the naming of the headquarters of the head of state as the White House should be searched in Uzbek statehood. After all, was there ever-greater humanity in the history of humankind than the Great Timurid State, built by our great grandfather? That is why the great political leader and politician, the First President of the Republic of Uzbekistan Islam Karimov chose the name of his residence. Independence allowed us to say the same to the whole world.
