

Visit to the first jewelry school in the Republic

Since independence, one of the core issues of the cultural and spiritual life of the republic has become a deep study of the history of our country, our people, the restoration of ancient sources.

Students of the group 127 of "Ecology and environmental protection" specialty of the Faculty of Agricultural Mechanization of the Karshi Branch of the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers under the guidance of the group curator visited the country's first jewelry school and "Odina" Crafts Center located in the center of Karshi. Then the students visited the madrasah Kilichboy and Khoja Abdul Aziz.
