

Sincere congratulations!

Active people in the educational and spiritual-enlightenment process are the pride of the community. Because they are creative, and love their profession. Success and achievement are closely linked to the knowledge and practice of such selfless and dedicated people. We are infinitely proud of such enlightened and spiritual educators. On the eve of the 30th anniversary of the independence of our country, we once again felt that there are such intelligent people in our educational institution. Rewarding them with a commemorative badge "30 years of Independence of the Republic of Uzbekistan" signed by the President, created a real festive spirit. In the Rector's Council, acting Rector Mirzaev Bakhodir Suyunovich solemnly handed expressing sincere congratulations. We sincerely congratulate everyone and provide you a list.
