

Student membership certificates were issued to the students

Expressing samples of selflessness on the path of a certain idea and ideology is the celebration of faith and conviction. Each party will have to mobilize its zeal and aspiration and intellectual capacity for the prosperity and development of its own country and nation. It requires a sense of belonging of every citizen to the fate of the country. On October 30, 2018, Tashkent Institute of Irrigation and Engineers of Agricultural Mechanization held a meeting of students with the Yunusobod Council of the Liberal Democratic Party of Uzbekistan and deputy of the Shoshtepa electoral district X. Burxonhojaev.

Members of the party talked to the audience about the conditions created by the party today for the youth to engage in entrepreneurship. Students were inspired by guides and advices. At the end of the meeting, new members of the party were awarded with membership certificates.
