

## Respect for the teachers of the Karshi branch of TIAME

A festive event was held at the Karshi branch of TIAME on the theme: "The most important goal is upbringing children." The event was attended by teachers, students and parents. The event began with a greeting from students. The poetic scene presented by students not only reflected the love and respect for teachers, but also added the mood of the entire audience.

In the artistic part of the event, Murtoseva Dilorom, a student of the direction "Land Management and Land Cadastre", sang the song "Ustozlar". The event was very lively and emotional. Singers of the Kashkadarya Regional Musical Drama Theater, Makhmud Shavdirov and Adham Sunnatov also spoke to those present and conveyed their respect to the teachers.
