

Sincere congratulations

Renewal season spring has come to our country. Rector of our Institute Uktam Parдавich Umurzakov congratulated the students of the Faculty of "Agriculture and water supply" on the occasion of the International Women's Day. March 4, 2020 Dean of the Faculty A. Isakov conveyed the congratulations and presents of the rector of the Institute. All the students of the faculty expressed their gratitude to the rector of the Institute.
