

The 3rd day of the “Five Days of Spring” project

The 3rd day of the “Five Days of Spring” festival began with interdepartmental Girls Commune. This event was held in the first half of the day with the participation of professors, chairmen of faculties working with women, as well as students. TV channel "Culture and Enlightenment" filmed the event. At the entrance to the institute was set banner and on the social network Telegram was announced photo contest.

In the afternoon, at the entrance to the lecture hall B on the 2nd floor of the building was carried out team competition among students:

1. Sewing
2. Weaving
3. Work with beads
4. Preparation of various dishes
5. Spring salads.

The competition was held in a friendly atmosphere. Contests were evaluated by group of judges. The results were as follows:

1. In the competition sewing and cooking various dishes won the teams of Hydromelioration and Agricultural mechanization faculties.
2. In the contest of weaving and working with beads - teams of mechanization of irrigation and drainage works, land management and Energy supply of Agriculture and Water Resources faculties.
3. In the competition of preparation of spring salads - Teams Hydrotechnical construction and Organization and management of water resources faculties.
