

Honored and Rewarding Profession

It is worthwhile to bow to teachers and trainers for their self-sacrificing efforts to bring up a healthy, comprehensively advanced generation for the future. Teachers are important factor to build the future of our country and the strongest in the field of education and upbringing. It is virtuous to encourage teachers who are working in this field throughout their lives in a purposeful manner.

Among them is Professor of the department "Mechanization of hydromeliorative work", Honored worker of science of Uzbekistan, doctor of technical sciences, academician Shukurulla Ubaydullaevich Yuldashev is awarded with a 1st -degree badge of "Labor Veteran" according to Labor Code of the Republic of Uzbekistan dated September 25, 2018 of "Nuroni" Fund for support of social activities of veterans of Uzbekistan.

We congratulate Pr. Yuldashev with this valuable award and wish him longevity, health, family happiness and further success in the further development of our Homeland.

R.Jumaniyozov, the press secretary of the institute
