

Meeting with the singer

On May 3, a creative meeting with talented singer Jasur Mavlonov took place at the students' dormitory. The creative meeting was organized excitedly by the pedagogue-psychologist Dilorom Sagdullayeva. The students asked questions. The student gave the most active question to the singer Jasur Mavlonov. Students were very excited about the creative meeting and offered Jasur Mavlonov to come to the student dormitory frequently to get acquainted with new creative innovations. It is obvious that this creative meeting encouraged the students to acquire more knowledge and skills. Department of Geodesy and Geoinformatics 1st 105 year student of the department, Avilova Nilufar, shared her impressions. GIM, GTS, QSXET, YMM students Pedagogue Haitova Aziza GTC, Dean of the faculty GM Azimov Azam and Ruzhiboyev Ortik also participated.
