

A source of pride

On December 4, 2019 in the 2nd lecture hall, Vice-rector for Youth Affairs R.Khoriev, dean of the faculty of Hydro technical Construction B.B. Hasanov, deputy deans Al Alimov, B.A. Normuminov, S.B. Ruziev, AB Halimbetov, teacher of the department of Humanities B. Kandov and 125 students of the faculty organized a round table on the theme "Our honor - pride, pride".

Speaker, the Constitution is the basic law of the state that defines the structure of the state, the system of government and authorities, their powers and procedures, the electoral system, the rights and freedoms of citizens, as well as the judicial system. Participants shared some interesting facts about the adoption efforts. The lecturer answered the students' questions in detail; the event was a great event.
