

“My Green Hometown - From Words to action”

From 3 to 19 March, at the initiative of the Meros Foundation and the Tashkent City Department of Ecology and Environmental Protection is being held a campaign under the motto "My Green Hometown- From words to Actions". Students of our institute are actively involved in this action. In particular, students of group 408 "Ecology and environmental protection" department of the OMWR faculty under the leadership of R.Razzakov Olmazor district beginning from 119 to 117, 432 and 441 schools took part in the action of planting trees.
