

## The spirit of holiday

Early in the morning the activists of the Youth Union of the Institute competed in two rows at both gates. Why? Because tomorrow on December 8 we are celebrating the 26th anniversary of the adoption of the Constitution. We sincerely congratulate you on the holiday! Pre-holiday celebrations were prepared by the activists of the Youth Union, and from early morning students were given a festive mood. We are grateful to all the young people who participated in this public event and to the youth leaders of the faculty. Holiday events are ongoing. We are grateful to Q.Shavazov, the vice-rector on working with young people, who have practical assistance in organization of this event, Shavazov.
