

Memory is holy and eternal

The life is compared to the flowing water, and a moment can not be dropped off. But good deeds, though many years later, still remain, and are mentioned. May 9 - "Day of Memory and Honor" is widely celebrated in our country as a nationwide holiday. In this connection, on May 7, teachers of the Department of "Humanities" of the Faculty of GIM held a roundtable titled "Memory is holy, eternal and eternal". It was attended by students of the institute, who live in TITR.
