

Disinfection in Students Dormitory

In order to prevent the spread of coronavirus in the Republic, on March 17-18, 2020, disinfection of the Institute's Student Dormitory was started. After the SD students were sent home, an act of closure of the SD was drawn up and the disinfection was completed on March 17 in SD 4.

The disinfection will continue on March 18-19 at the 1st, 2nd and 3rd SD. This disinfectant will cover every room, every corridor and every common area (kitchen, laundry, toilet).
