

## The contribution of the people of Uzbekistan to the victory over fascism in World War II

On April 28, the Ministry of Higher and Secondary Special Education of the Republic of Uzbekistan hosted an online scientific-practical conference on "The contribution of the people of Uzbekistan to the victory over fascism in World War II."

The conference focused on the heroism of Uzbeks on the battlefields of World War II, the hard work of Uzbeks behind the front lines during World War II, the science and culture of Uzbekistan during World War II, the evacuation of the population to Uzbekistan during World War II. The issues of care, memory, and respect of the Uzbek people were discussed. A. Rakhmankulova and H. Azimov, associate professors of the Department of Humanities of the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers, along with historians of many universities of the Republic, made presentations at the conference. The conference focused on current issues related to the history of World War II.
