

## Congratulations on the award, teachers!

Dean of the Faculty of Hydraulic Engineering, Professor Hasanov Bakhrudin Baratovich, and Head of the Department of Hydropower and Pumping Stations, Professor Bazorov Dilshod Reyimovich were awarded the badge "Excellence in Water Resources of the Republic of Uzbekistan" by the order of the Minister of Water Resources No. 172.

The incomparable knowledge and lessons that teachers give to students are constantly inspiring young talents. Representatives of the younger generation, who have attained the status of "Master's Apprentice", bow before the prayers, teachings, and fruitful work of teachers.

On behalf of the team of our institute, we sincerely congratulate the teachers on the award.
