

Museums are history miracles

☒ Museums are the bridges that bring together the cultures and values of nations, bringing together the mysterious traditions of history. At the same time, museums play an important role in enriching the spiritual world of the people, upbringing the younger generation in the spirit of love and devotion to the Motherland. Therefore, it was proclaimed by UNESCO as May 18, 1977 - International Day of Museums.

In connection with this day visited the State Museum of Temurids History of the Academy of Sciences of the Republic of Uzbekistan under the direction of the group of the group 104, group assistant, assistant professor S.Buriev, "Hydromelioration" faculty. During the visit, students got acquainted with the rare exhibits of Amir Temur and Temurids' epoch, correspondence with various statesmen, coins, ceramics and copper items, architectural decorations, books, ethnographic works, works of artists of our country.
