

TIIAME will host an ONLINE FORUM on "HIS introduces innovations in all areas"

On October 31, 2019 in Beijing, a memorandum of understanding has been signed between SuperMap International, China's largest digital geoinformation technology company and the Rector of the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers, and the Chairman of the Consortium "Central Asia and the South Caucasus Agricultural Universities Development" (CASCAD) prof. U.Umurzakov.

SuperMap International (according to the ARC Advisory 2019 report) is the largest supplier of HIS products to the Asian market and the third largest in the world market. Currently, CASCAD and TIIAME are the first organizations in the Commonwealth of Independent States to sign a memorandum with SuperMap International. In order to implement the priorities set by the CASCAD consortium in the development of an important national, regional and international dialogue platform in the field of education, research and innovation, "HIS introduces innovations in all areas" Online Forum will be held in partnership with SuperMap, CASCAD and TIIAME.
