

Contests

According to the order of the Rector of the Institute of 14.06.2014 No. 699 A / F, the development of new technologies and competitive products by developing inventive and scientific and technical creativity at the institute, identifying and promoting the best intellectual property among teachers and students of the institute. The organizing committee of the institute of the Intellectual competition was created. .

Based on the decision of the Competition Commission and the order of the Rector of the Institute, that is, the chairman of the Innovation Council, the winners of the Intellectual contest are determined, and the authors are invited to:

Nominations of the contest "Intellectual":

Among professors and teachers:

"Best Invention", "Best Utility Model", "Best Industry Model", "Best Software and Database for Electronic Computers", "Best Program for Electronic Computers", "Best Copyright".

Among the students:

Nominations "Best Development", "Best Utility Model", "Best Industrial Design", "Best Software and Database for Electronic Computers", "Developed Computer Program".

RESULTS OF COMPETITION:

WERE AWARDED WITH MONEY:

Between professors and teachers:

a) in the nomination "The Best Invention":

1st place - Usmanov Kamoliddin Eshkulovich, Kayumov Tulaybay Holmirzaevich, Khakimov Bahodir Bozorovich, Sultanov Mansur - in the amount of 5 (five) times the minimum monthly salary for the development of "Processing of organic waste and the object of their processing";

b) in the nomination "Best utility model":

1st place - Bakiyev Masharif Ruzmetovich, Muslim Turava Djuraevich, Dzhabbarova Shakhnoza Akramzhonovna, Masharifov Umidbek Khushnadbek angles - in the amount of 5 (five) minimum monthly wages for the development of "Devices for determining the absorption coefficient";

2nd place - Ramizulla Abdullaevich Muminov, Sali Ashirovich Radzhapov, Yarkin Toshmuradov Kakhramonovich, Sharip Risaliyev, Bekzhan Salievich Rajapov - in the amount of 4 (four) minimum monthly wages for the development of the "Semiconductor coordinate-sensitive detector";

c) in the nomination "Best software and database for an electronic computer":

1st place - Mirsaidov Mirziyed Mirsaidovich, Mavlanov Tulkin Mavlanovich, Yarashov Javlon Adambaevich, Toshmatov Eler Sobirovich - in the amount of 5 (five) times the minimum monthly salary for the development of "Victor of the tape identifiers for engineering and other engineering structures."

2nd place - Mavlanov Tulkin Mavlanovich, Abdieva GB, Yarashov Yavlon Adambaevich, Tashmatov ES, Yuldasheva Sh.B. in the amount of 4 (four) times the minimum monthly salary for the development of "SC040Z Own decks of viscoelastic axisymmetric sheaths of the structure".

3rd place - Abdullaev Zafar Sayfutdinovich - in the amount of 2.5 (two and a half) times the minimum wage for developing the "Software for estimating the value of land resources in various ways";

3rd place - Fatkhulloev Alisher Mirzatilloevich, Irismetova Aziza Israilovna, Khamrakulov Zhasur Saili

angles - 2.5 (two and a half times) the minimum monthly wage for the development of the "Software for calculating Thompson and Chipoletti weirs";

d) in the nomination "Best program and database for computers":

1st place - Shaymanov Nizomiddin Omankulovich, Muradov Rustam Anvarovich - in the amount of 5 (five) times the minimum monthly salary for the development of "Development of soil level density equalization at ground level"

d) in the category "Best Copyright":

1st place - Imamov Shavkat Norboevich, Bekchanov Fahriddin Atabaevich - in the amount of 5 (five) minimum monthly salaries for the development of "Electronic textbook on construction equipment"

Between students:

a) in the nomination "Best Development":

1st place - a 4th year student of the Faculty of Mechanization of Irrigation Work, Meilikulov Saidali Tuychi oglu, in the amount of 5 (five) times the minimum monthly salary for the development of "Mechanization of cleaning the closed horizontal drainage";

2nd place - a 2nd year student of the Department of Hydromelioration Karimov Durdona Fazliddin - in the amount of 4 (four) times the minimum monthly salary for the development of "Measuring humidity and temperature";

3rd place - a 3rd year student of the Faculty of Agriculture and Water Management Akhmedov Mamurjon Makhmudzhonovich, in the amount of 2.5 (two and a half) times the minimum monthly salary for the development of "Environmental Protection and Improving Human Welfare" in quantities;

3rd place - 4th year student of the Department of Land Reclamation Jalilov Sroyjiddin Muhiddin oglu - in the amount of 2.5 (two and a half) times for developing the minimum monthly salary for the development of "Development of technology for the use of collector-drainage water";

b) in the nomination "Developed computer programs":

1st place - a 2nd year student of the Department of Hydromelioration Ulugbek Manzirbayev - at a rate of 5 (five) times the minimum monthly salary for the development of the "Mobile communication program for calculating water consumption in canals",

2nd place - a 4th year student of the Faculty of Land Management Abdullaev Otabek Zokhid oglu - at a rate of 4 (four) times the minimum monthly salary for the development of "MOBILE METER" for the Scientific and practical proposal for creating a mobile application - called;

3rd place - 4th year student of the Department of Hydromelioration Abdulkhaev Eradzh Abdushukur oglu - in the amount of 2.5 (two and a half) times for the development of the development of "Calculation of drip irrigation"

The ceremonial award ceremony and award ceremony will take place on January 18, 2019 in the Palace of Culture of the Institute
