

Do you want to study in China?

We are glad to announce the scholarship program in The University of Science and Technology Beijing (USTB). This scholarship offers you to study in China for Bachelor, Master's, and PhD degrees. The scholarship is given for all specializations of the university. USTB prides itself a strong faculty known for their meticulous scholarship and academic excellence. Among its 3,385 faculty are 452 professors, 745 associate professors. Including 7 academicians of the Chinese Academy of Science and 3 academicians of the Chinese Academy of Engineering. The university has large departments in physics, chemistry, engineering, economics, and English. The grant covers the whole tuition fee, living in the dormitory, and monthly scholarship. You can study for 2-4 years depending on your specialization and degree.
